HOLIDAY ASSIGNMENT FOR PARENTS

Dear Parents,

Date: 26.04.2023

Warm Greetings!

For the past 11 months, we enjoyed taking care of your precious children. You might have noticed that they all loved to come to school. During the summer vacation, you, their natural guardian will spend the vacation with them. Let's share some tips to make this period a fruitful and happy period for them.

- ❖ Have at least two meals together with your children. Teach them the importance and hard work of the farmers and ask them not to waste their food.
- ❖ Let them wash their own plates after every meal. Children learn dignity of labour from such activities.
- ❖ Allow them to help you in cooking. Let them make their own vegetable and fruit salad.
- ❖ Ask them to learn 5 new words in English and list them in a notebook.
- ❖ Please ensure that they spend 30 minutes each for English and Tamil handwriting daily. Let them put the date and write one page in English and one page in Tamil daily for handwriting practice.
- ❖ Visit the grandparents and let your children bond with them. Their love and emotional support is very important for your child. Click snaps with them.
- ❖ Take them to your work spot and let your child understand that you work very hard to support your family.
- ❖ Do not miss the local festival and local market.
- ❖ Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up.
- ❖ Share stories about your childhood and your family history.

Request the parents to kindly adhere to the instructions given for the sake of our dear children.

The school reopens on 01.06.2023. We are eagerly waiting to welcome our dear children in the month of June.

With Regards,

C. F. Mahalakshmi
